

MPR Promotions and Role Developments

Since MPR was established in 2016, we have gone from strength to strength with Five Star feedback from brokers, Chartered Insurance Underwriting Status and a recent Long Term Capacity Deal. Central to this is our team, which has over 185 years of combined financial lines experience between them. Consistent with our ongoing commitment to high quality products and service we are giving more focus in some of our key areas with the following promotions and role developments:
