

In the event of a cyber incident call ReSecure on
0203 060 6800

(Identify yourself as a policyholder of MPR Underwriting and have the policy number ready)

Policy benefits include:

- Speaking to a specialist lawyer from RPC (under legal privilege) within 1 hour;
- No deductible/excess applies to the initial immediate incident response;
- Cyber event triage begins, critical stage process is coordinated and action plan is initiated;
- All the necessary services in a single place from ReSecure*.

For other claims, please adhere to the Notice requirements (section 5.2) of the policy.

*ReSecure consists of:

RPC (Reynolds Porter Chamberlain), broad range of experience in advising businesses on management of data security incidents;
STORM Guidance, a specialist cyber risk and cyber incident advisory consultancy set up by experts to deliver an effective approach to risk and incident management;
Eurofins, the world's largest private provider of forensic science and has one of the UK's leading digital investigations teams;
Experian, market leading providers of internet and credit monitoring services and associated call centre response services;
Mattison Public Relations, experts in corporate communications and crisis management.
